## Season 1 Epilogue

Hello, everyone.  
I'm the creator of I  
Hate Love, Kyuhtool.

I Hate Love  
Season 1 is  
finished with  
the ending of  
chapter 23!

I'll draw some of the stuffs  
that I wanted to share with  
you in Season 1 Epilogue.

First of all, Season 1 is  
all about Yeonsil and  
Nari's friendship.

You might have suffered  
when Seo Nari came out  
(I'm sorry...TT)

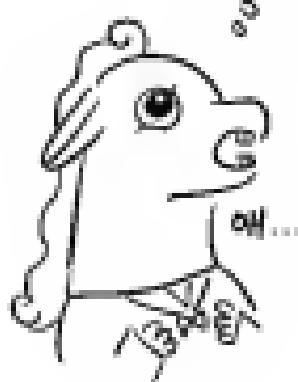

Ughhh we hate Seo Nari!

As Seo Nari is a character with a lot of personal appearance, I had a lot of fun when I expressed her character.

(And I really enjoyed reading the comments of those who think differently than those of you who sympathize with Nari.)

And I also

thought of how I were when I was 18 years old. I think I was more reckless and impulsive than now...

(Even though I'm not so mature right now... ^-^)

Because of that, I understand that the 18 years old Nari and Yeonsil still doesn't make wise decisions yet.  
I still make a lot of mistakes.

Of course I think that what Warki did  
to Yensil was really a wrong choice  
(Do you think so, too?)

...WTF?

Something the supposed  
low-fat dog is  
becoming a book report...?

(sudden change)

So I'm going to give you  
some answers to some of  
the comments that need to  
be explained in chapter 23.

I read chapter 3 again

after reading this

comment

I already knew the story  
so I just drew without  
thinking so much. But I  
think you must've been  
confused.

The girl that Chanbin-nim mentioned is

WAS NICE TO

SMILE

'Kim Moi'. The girl that Jungeu had  
a crush on when he was in middle  
school.

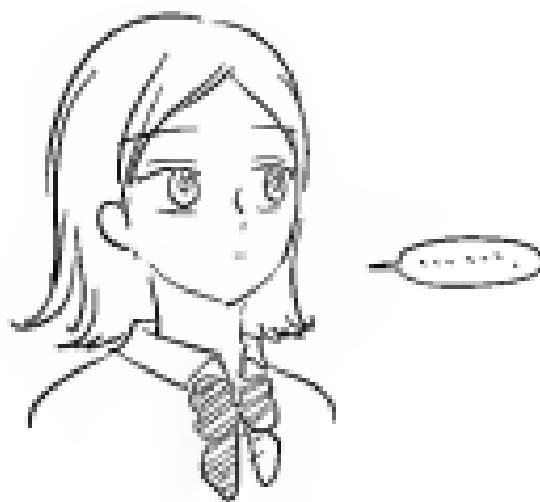

Jo Anna is Jinyoo's ex-girlfriend.  
They're different characters.

You should've asked after dialogue. The editor's content!!!  
Dynamically generated

Actually, I thought it would be fun to leave this to your imagination. But I think there are a lot of people who are curious. So I'll try to answer it!

Something...  
that i can tell you  
for sure is that

i apologized.

Report 100-11-11-11-11-11

Since Session 1 has ended there must be Session 2 again

Session 2

Yes.

We'll have Session 2.

Season 2 will be about Dohwa and Eryehee's story.

(Since Jinyeo and Yeonsil are friends with them, of course they'll still make their appearance.

I'll draw about Jinyeo and Yeonsil in season 3.)

Because of the title 'I Hate Love' and the prologue, I think there are a lot of people who think this is a romance-centered manhwa.

Since this manhwa is not just about romance but also the story of friendship and family which occupies a big outline in the story, it's recommended to read the manhwa while thinking of the-coming-of-age drama, instead of just a love story ^\_\_^

And I want to say thank you to all of you.  
I couldn't be more happier to draw because you  
enjoyed reading the manga and supported me.  
Thank you always!  
Thank you so much to then PD who always worked  
hard behind the scenes ^o^

83

I'm gonna have a cooling-off period after season 1 ended. I'm gonna have some time to mope on the storage and think more about the story.

Next chapter will be released on January 13 in Season 2.

Since I'm writing the epilogue, I'll also write 1 Note Love character profiles.
